

We want to involve your kids in sports!

Sports are positive activities that keep our daughters and sons active and involved.

CommUNITY Education offers programs throughout the year to introduce Storm Lake's youth to several different sports.

These programs are designed to teach students the basics of each sport.

Everyone can afford to participate and learn.

CommUNITY Ed has lowered the registration fee for every program. We have arranged for a business sponsor to help cover the cost to operate the programs allowing us to reduce the fee we charge the participant.

We encourage you to allow your child to participate in as many activities as possible. Students who participate in sports do better in their school work and learn teamwork.

Encourage your child to become involved.
