Dear Tornado Supporters:

The Storm Lake Tornado Booster Club Board thanks you for supporting Storm Lake extra curricular activities. The activities help to make better graduates of Storm Lake Schools by instilling competitive spirit, teamwork and a positive attitude. These are all valuable commodities in today's and yesterday's young people.

Another school year approaches and we need your support. In the past year, YOUR club raised over \$45,000 in funds to support these activities. Approximately 25% of that amount is from memberships of great supporters like YOU. Some of the items the Club provided in the past year include:

Volleyball Equipment  
Team Posters  
Meals for State Qualifiers

Dance Squad & Cheer Equipment  
Soccer Goals  
Tennis Storage Bldg. & Equip.

Banquet Awards  
Weight Room Equipment  
Wrestling Mat

In addition we continue to provide meal money for any and all athletes competing in state tournaments and an "Award" budget for every coach to use in recognizing team and individual accomplishments.

This year's personal fund drive will continue to use the same format as previous years and as shown on the enclosed Membership Application. We ask you to help us help the students of Storm Lake Community Schools by equaling or exceeding the amount provided last year. The cost of extra curricular activities is not going down, but their importance in rounding out our students is definitely going up!

Please complete the enclosed membership form and return it to the address listed on or before September 1, 2010. We appreciate your generous support.
