Dear Tornado Boosters:

Another school year is quickly approaching and we need your assistance. In the past year, YOUR club raised over \$45,000 in funds to support the various extra-curricular activities. Approximately 25% of that amount is from memberships of great people like YOU! Some of the items the Club provided included:

Volleyball Equipment	Cheerleading &	Banquet Awards
Soccer Goals	Dance Squad Equipment	Team Posters
Meals for State Qualifiers	Weight Room Equipment	Wrestling Mat
Tennis Storage Bldg. & Equip.		

**New and Improved:** Attached is your membership sign-up sheet. It is designed so you may take care of all of your Storm Lake High School Booster Club promotions at one time (we used to make several solicitations a year to accomplish this). We believe we have put together a fantastic package for your Booster Club membership. The F5 (everyone should get excited about an F5 Tornado) package gives you 17 membership listings, and an ad in the youth basketball programs which will have circulation to 80 teams with a radius of over 60 miles. The F3 and F4 package is a great bargain for those businesses wanting to be recognized as supporters for the local student athletes.

This is a great deal for your business and for over 300 student athletes. These young adults work very hard to compete at this level. Please let them know you are proud of them. Join today!

Please complete the enclosed membership form and return it before Sept. 1, 2010. Follow up calls will be made on all memberships not returned by Sept 25, 2010. We appreciate your generous support.

Thanks from YOUR Storm Lake Booster Club Members.
